

WHAT IS IEEE?

- › IEEE stands for the Institute of Electrical and Electronics Engineers.
- › IEEE is the world's largest professional association dedicated to advancing technological innovation and excellence for the benefit of humanity.
- › IEEE and its members inspire a global community through IEEE's highly cited publications, conferences, technology standards, and professional and educational activities.

IEEE STANDARDS

- › Develops global standards in a broad range of industries .
- › IEEE-SA is not a body formally authorized by any government, but rather a community.
- › Technical experts from all over the world participate in the development of IEEE standards .

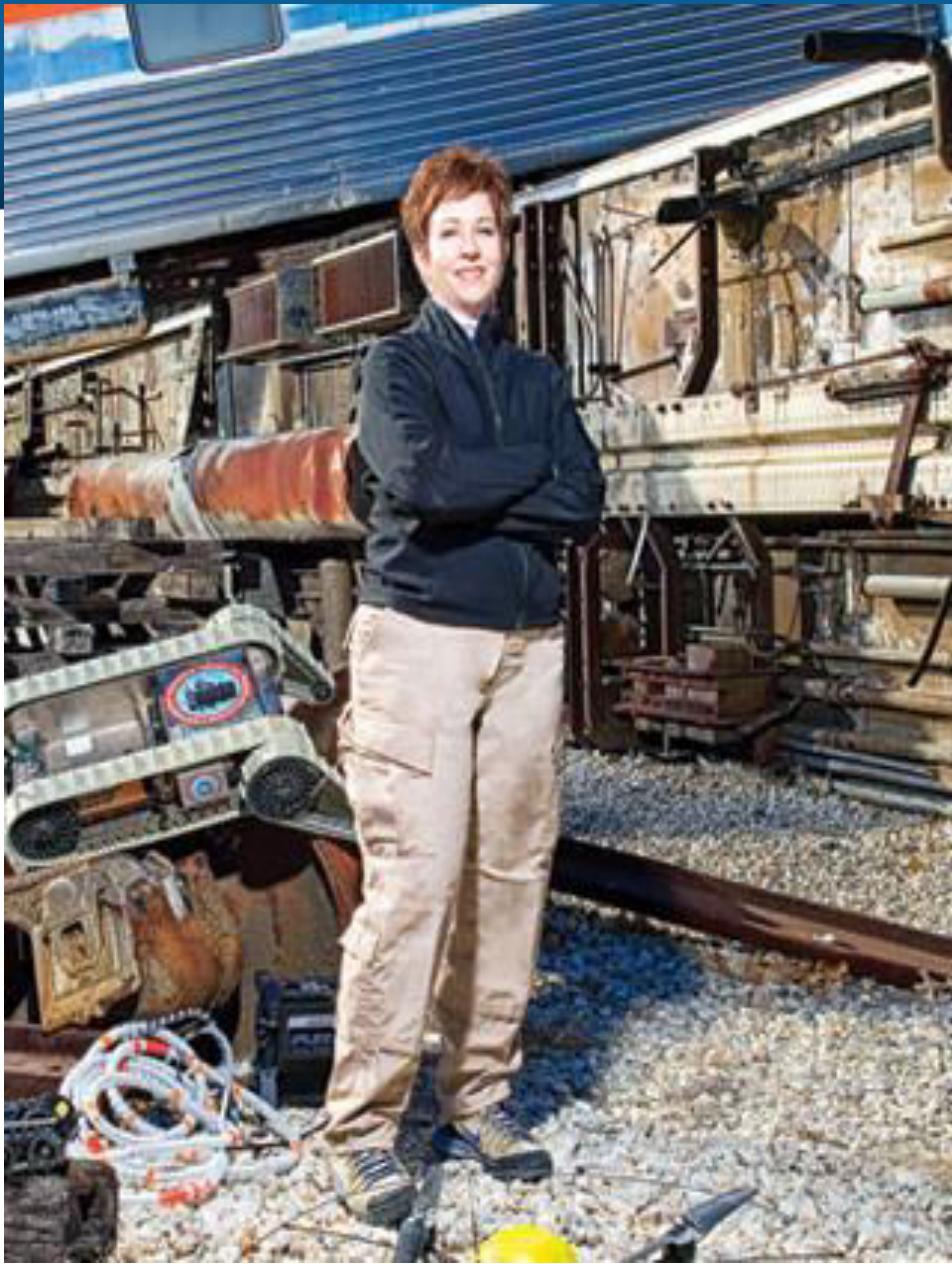

FAMOUS PERSONALITIES

Dr. Mathukumalli Vidyasagar

Head, Bioengineering
Dept , University of
Texas

Chair , IEEE Life
Sciences Committee

“ I have been an IEEE member since I was a student in 1969. Today , IEEE's great tools can spread boundaries of knowledge , bridge the geographic gap and help make other countries feel part of the global community ”

Dr. Robin Murphy

Machines and
Automation Expert

“ Since I began as an IEEE member , I've subscribed to many journals and used digital libraries .IEEE Robotics and Automation Society have been really positive in terms of trying to engage women ”

HOW TO BECOME AN IEEE MEMBER

- › Student Membership Fees : 27\$
- › You can join IEEE by completing the online membership available on www.ieee.org/join .
- › You can also become a member by contacting **Student Branch** at our college.
- › Offline Payment Mode : **Demand Draft**

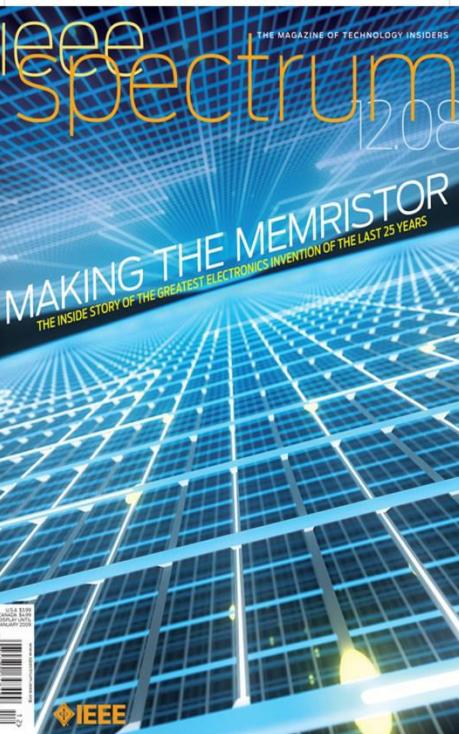

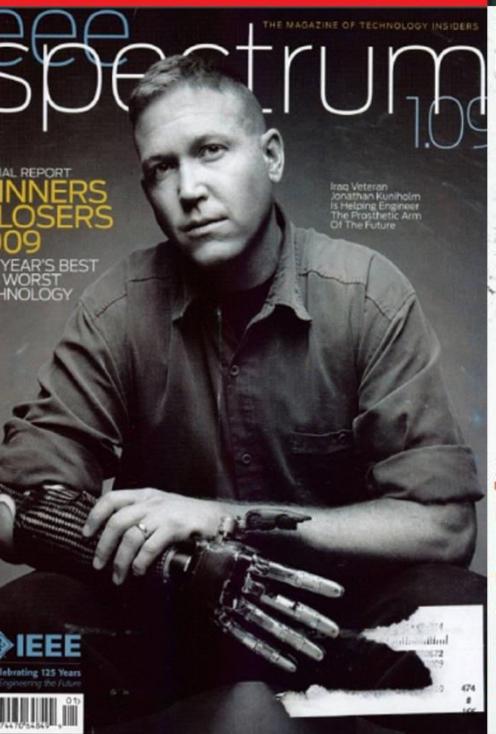

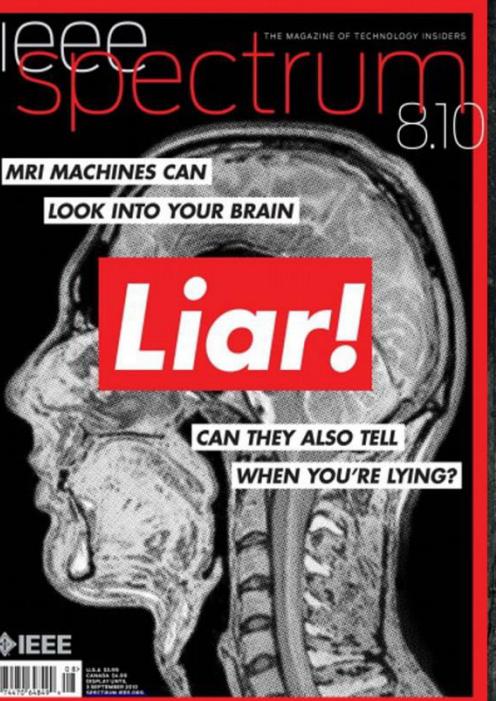

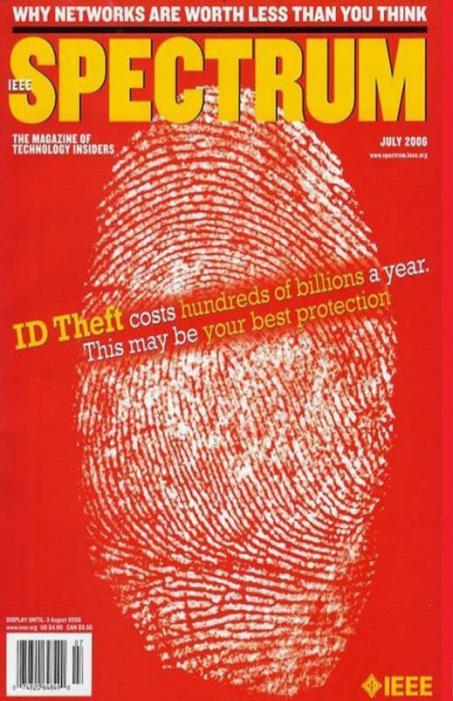

BENEFITS OF IEEE

- › **Awards, Scholarships, And Fellowships:**

IEEE offers a variety of awards, scholarships, and fellowships for IEEE student members. Submit a project or paper for consideration and have the opportunity to win and gain peer recognition for your effort.

- › **IEEE Spectrum Magazine:**

Spectrum explores career strategies, the latest in research, and important technical developments. Through its articles, it also relates theories to practical applications, highlights technology's global impact, and generates international forums that foster the sharing of diverse ideas about the profession.

Highlights

IBM Journal of Research and Development Celebrates the 100th anniversary of IBM

To commemorate the 100th anniversary of IBM, this special issue offers a forward-looking collection of technical essays covering a variety of cutting-edge information technology methods and how the technology will change in the future.

Specific focus is placed on technology for healthcare, analytics, augmented reality, and social media. Areas covered: Speech recognition,

BENEFITS OF IEEE

› Knowledge:

IEEE members gain exclusive access to the latest and best research, news, television programs, and educational resources needed to expand their expertise and stay current.

› Community:

As an IEEE member, you are part of the world's largest community of technology professionals—a network of communication and learning where innovators share what works, what does not, and what is needed now.

Being an IEEE Member entitles you to a discount in all IEEE activities in all colleges .

JOBS

A large, three-dimensional gray text "JOBS" is positioned centrally. Several small, stylized human figures in various colors (gray, blue, green) are scattered around the base of the letters, some appearing to walk towards or away from the text.

WHY 27\$...?

- › Global Exposure
- › Hands on Experience
- › Availability to abundant resources , libraries , articles , journals from all around the world
- › Professional and Educational development

video

PREVIOUS YEAR'S ACTIVITIES

- › IEEE DAY
- › WORKSHOP WIRED ROBOTICS
- › IEEE 360 DEGREES
- › CONFERENCES
- › COLLABORATIVE COLLEGE EVENTS
- › XZIBIT(State Level Project Competition)

ACTIVITIES PLANNED

Engineers Day Celebration

IEEE Week -Technical Quiz, Article Writing, Blood donation , Seminars, GD, PI

Workshops – Ethical Hacking ,Web Development , IOS Development, Wired Robotics and Electrobotics

Industrial Visit

Technical Fest – Detriox , IEEE 360 Degrees

State Level Project Competition

IEEE KCCOE COUNCIL 2012-13

➤ Executive Committee

- | | |
|--------------------|------------------------|
| ➤ Branch Counselor | - Amarja Adgaonkar Mam |
| ➤ Interim Chair | - Jekin Dedhia |
| ➤ Vice Chair | - Sachin Thakur |
| ➤ Secretary | - Siddharth Sharma |
| ➤ Treasurer | - Gurpreet Singh |
| ➤ Editing Head | - Kaustabh Phani |
| ➤ Web Master | - Omkar Bhagat |

› **Technical Committee**

Technical Head – Jaspreet Singh

R & D officers – Anchit Srivastava , Robin George,
Saurabh Motewar

› **Publicity and Member Committee**

Public Relation Officer – Sneha Yadav

Publicity Head - Rohit Shete

Creative Heads - Sagar Save,

Siddharth Valluvan

Membership Development Officer – Sagar Zambre

› **Operations Committee**

Chief Operation Officer - Harvinder Singh Amar

Industrial Visit Coordinator - Gaurav Singbal
